About the Job-Embedded Practitioner Licensure Program

The Job-Embedded Practitioner (JEP) Licensure Program is an opportunity to teach and pursue a Master's Degree in Teacher Education at the same time. Candidates are issued a Tennessee teaching license and are employed as a full-time teacher while pursuing a graduate-level degree.

Admissions Requirements

(see graduate school catalog for complete info.)

- A completed bachelor's degree.
- An undergraduate cumulative GPA of 2.75 or higher is preferred.
- Passing scores on the Praxis Content Area Exam if your undergraduate major is not the area you will be teaching.
- Completed background check.
- Acceptance to the UTK Graduate School Distance Education Program.
